You have come to our Wiefels family to remember someone you have known and loved. We are honored to be a part of their memory. The Wiefels family has spent over a century guiding our community down the dark path of uncertainty that loss and death delivers. And though death is what brings us together today, let us strive together to celebrate life. Our hope is to assist you in creating a service that is as rich and unique as the life we are here to celebrate.

The only rules and traditions we need to follow are the ones that are most meaningful to you, and we are here to work with you to bring your beliefs and heritage to this celebration. For some that means religious or spiritual beliefs. All faiths and creeds are welcome. If past traditions do not speak to you, let us help you find a new, more authentic way to honor the person who has passed. We encourage you to abandon any preconceptions about what a funeral or memorial should be. We are here to create your path, to discover your rituals, and we will be with you every step of the way.

Prior to drafting any contract for goods and services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

### ***METHOD OF PAYMENT***

For your convenience, we accept cash, check, credit card (Visa, Master Card, American Express, or Discover) or an approved irrevocable insurance assignment.

## *A Few of the Things that Make Us Your Best Choice –*

- ***Family Owned & Operated.*** While many of the area funeral providers are now owned by large international corporations, we are still owned and operated by local individuals, offering the highest level of personal attention and caring service, since our founding in 1908. We understand that our most valuable asset is our sterling reputation, and we will do everything in our power to maintain that position by exceeding our client families' expectations. We are accountable to you, not far-away stockholders.
- ***Professionalism.*** We recruit, train and retain only the best professionals in our industry. You are guaranteed that your services will be handled sensitively and correctly on that first, and only, opportunity.
- ***Cremation.*** We operate the newest, and one of the only, privately owned crematory facility in the Coachella Valley. Our cremation specialists have been certified by the Association of California Cremationists. While most other funeral establishments subcontract this important service to off-site, out of the area, multi-user industrial facilities, our crematory, which is open to your inspection at any time, assures you the peace of mind that your loved one will be handled only by our certified specialists and with the highest standards of care and accountability. By locally controlling the entire process, we can guarantee you that your cremation will be completed in less time by our firm than anyone else in the area.
- ***100% Satisfaction Money Back Guarantee.*** We are committed to supporting your family during their grief, recognizing that all grief is personal to each individual. We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. We acknowledge that we cannot make the pain go away, but through our efforts, we can make the journey of grief less lonely and perhaps a little easier. And finally, if you are not satisfied with any of our services or facilities, we will reduce or eliminate that charge to you.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

## Professional Services

### **Basic Professional Services of Funeral Director and Staff** **\$ 1300.00**

This is the basic charge to each family we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this charge is the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, planning the funeral, and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. *This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)*

### **Embalming** **\$ 650.00**

Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure to cleanse, sanitize, embalm and prepare for viewing and/or disposition of the deceased body using modern, scientific methods to safely ensure public health, proper discharge of infectious materials and contaminants, all in strict compliance with OSHA guidelines. *Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.*

### **Refrigeration** **\$ 650.00**

If embalming is declined and the final disposition of the deceased is not completed within 24 hours of the time of death, refrigeration is required by California State regulation, Title 16 Sec. 1223(b). *Note: If not used in conjunction with a funeral package, our initial refrigeration fee includes 3 consecutive days. Beginning on the 4th day, the Funeral Home will charge \$100 for each additional day of refrigeration.*

## Death Care Planning

***Death Care Planning.*** What a strange statement. Yet all of us will someday be faced with the realities of death care planning. Some of us will be planning for the death of a grandparent, a parent, an aunt, an uncle, a sibling, a spouse, a significant other, a dear friend, a child, or even ourselves. Many of us do not realize that we are the people others are going to depend upon to carry out their final wishes.

Select a funeral home that you feel comfortable with. The funeral home should provide you with answers to the questions you may have regarding any and all aspects of funeral service.

All funeral service providers must give you a copy of their General Price List for you to keep. This is a federal law that is strictly enforced by the Federal Trade Commission. Each funeral provider must also show you a copy of a casket price list, an outer burial container price list, and an urn price list before showing and explaining any merchandise. Ask for these lists from your funeral provider.

When inquiring about prices, ask about the “entire funeral service,” from the time the deceased is transferred from the place of death, all the way to the funeral luncheon. Any reputable funeral service provider should be able to give you the entire scope of the funeral service you wish to provide for your loved one. Many families are not receiving full service if they only request a General Price List. We encourage you to explore all of your options before finally choosing the services you request.

The staff of Wiefels encourages you to take time to review this information, and discuss it freely with your family, your clergy, and a qualified funeral director. The benefit of researching your options ensures that the personal wishes of your loved one will not be overlooked. Thank you for taking the time to carefully understand what options are now in front of you.
